## Patent Customers Advised to FAX Communications to USPTO

**Related Notices** < Patent Customers Advised to FAX

To our Patent Customers:

In view of delays in mail delivery in recent days, we at the USPTO would like to encourage you to communicate with the USPTO via facsimile. **Facsimile transmissions may be used for correspondence as set forth in 37 CFR 1.6 such as: amendments, petitions for extension of time, authorization to charge a deposit account, an IDS, terminal disclaimers, a notice of appeal, an appeal brief, CPAs under 37 CFR 1.53(d), and RCEs.**

PTO Form 2038 should be used when authorizing payment by credit card; this form is maintained separate from the file to ensure confidentiality.

The USPTO has recently installed server software that enables us to automatically receive facsimile transmissions and route them to the appropriate groups. No special equipment is needed by our customers to use this system other than a regular facsimile machine. Each Technology Center has its own facsimile numbers associated with our server for Official replies to non-final Office actions and for Official replies to final Office actions. In addition, each Technology Center has a Customer Service Center on our server system and can answer any general application status questions you might have, can provide Examiner information and answer paper queries

The following is a list of all Official Facsimile Numbers for the Technology Centers:

<b>TC1600:</b>  Before Final: 703-872-9306 After Final: 703-872-9307 Customer Service: 703-872-9305	<b>TC2800:</b>  Before Final: 703-872-9318 After Final: 703-872-9319 Customer Service: 703-872-9317
<b>TC1700:</b>  Before Final: 703-872-9310 After Final: 703-872-9311 Customer Service: 703-872-9309	<b>TC2900:</b>  Before Final: 703-872-9322 After Final: 703-872-9323 Customer Service: 703-872-9321
<b>TC2100:</b>  Before Final: 703-746-7239 After Final: 703-746-7238 Customer Service: 703-746-7240	<b>TC3600:</b>  Before Final: 703-872-9326 After Final: 703-872-9327 Customer Service: 703-872-9325
<b>TC2600:</b>  Before Final: 703-872-9314 After Final: 703-872-9315 Customer Service: 703-872-9313	<b>TC3700:</b>  Before Final: 703-872-9302 After Final: 703-872-9303 Customer Service: 703-872-9301

By using the Official Before Final and After Final numbers, our server system will automatically generate a return receipt that will include the number of pages received as well as the date and time the facsimile was received. Additionally, the return receipt will include an image of the received

cover page. Applicants are advised to use the certificate of facsimile transmission procedures when submitting a reply to a non-final or final Office action by facsimile (see 37 CFR 1.6 and 1.8). Applicants are also advised to retain the return receipt in the event that the Office has no record of the facsimile submission, whether the facsimile submission is a reply to an Office action (37 CFR 1.8(b)), or a continued prosecution application under 37 CFR 1.53(d)) (37 CFR 1.6(f)).

**However, the Office currently does not permit new application filings (other than a CPA under 37 CFR 1.53(d)), requests for reexamination, drawings, and certain correspondence set forth in 37 CFR 1.6(d) by facsimile.** Applicants, however, are encouraged to file certain applications via the Patent Electronic Filing System. Please refer to our Web Site, at <http://www.uspto.gov/ebs/efs/index.html> for information regarding our Electronic Filing System and how to use it.

In addition to these methods of communication, the Office is currently reviewing other electronic communication means and will update this site with information as these options are implemented.
